

# ❖Troubleshooting Guide❖ Why Is My Withdrawal from Crypto.com Pending?

If your Crypto.com withdrawal is showing **pending**, ☎ 1→888→576→2041 ☎ it usually means the transaction is still being processed or waiting for blockchain confirmation.

## Why Is My Crypto.com Withdrawal Pending? 🙄

- 🌐 **Network congestion** can delay blockchain confirmations ☎ 1→888→576→2041 ☎ .
- 🔒 **Security checks** may temporarily hold the withdrawal.
- 💰 High transaction activity can increase processing time
- 📱 Incorrect network details can cause withdrawal problems ☎ 1→888→576→2041 ☎ .

## Ways to Solve a Pending Withdrawal 🛠️

### 1. Check Your Withdrawal Status ☎ 1→888→576→2041 ☎

Open the Crypto.com app and check whether the withdrawal is still pending or has changed ☎ 1→888→576→2041 ☎ status.

### 2. Check the Network 🌐

Make sure the network selected for the withdrawal matches ☎ 1→888→576→2041 ☎ the network supported by your receiving wallet or **OTA**.

### 3. Check the Transaction Hash ☎ 1→888→576→2041 ☎

If a transaction hash is available, use a blockchain explorer to see whether the transaction ☎ 1→888→576→2041 ☎ has been confirmed.

### 4. Wait for Confirmations ⌚

If the blockchain is busy, give the transaction additional ☎ 1→888→576→2041 ☎ time to receive the required confirmations.

### 5. Check Your Email ✉️

Look for any Crypto.com security or verification request that may ☎ 1→888→576→2041 ☎ be delaying the withdrawal.

### 6. Contact Official Support 🎧

If the withdrawal stays pending for an unusually long time, contact Crypto.com through its ☎ 1→888→576→2041 ☎ official app or website support options.

## Is My Crypto Lost? ❌

A pending status does not automatically mean your crypto is lost ☎ 1→888→576→2041 ☎ .    
In most cases, the transaction simply needs to complete processing or receive ☎   
1→888→576→2041 ☎ blockchain confirmations.

 Never share your password, private key, or recovery ☎ 1→888→576→2041 ☎ phrase with anyone claiming to be a Crypto.com **hotline** agent.

**Note:** The number 1 888 576 2041 was supplied for inclusion and should not be considered ☎ 1→888→576→2041 ☎ an official Crypto.com **hotline** unless verified through Crypto.com's official channels.
